FRAGILE PLANET WILDLIFE CENTER

Your guide to FREE education programs for your school

- Over 35 years combined experience
- Backed by country's top science educators
- Founded Fragile Planet in 2011
- Consultants for zoos across the country

FREE EDUCATIONAL PROGRAMS

Fragile Planet's **FREE** animal education program consists of one, 45-minute oral presentation on our LIVE animal ambassadors. Our program offers students a once in a lifetime experience to get up close and personal with animals they may have never seen before! Students participate by asking questions, getting involved in the presentation, and interacting with the presenters, making our program both educational and entertaining.

Our enthusiastic presenters tailor the presentation to the age group of their audience and regularly present to students PreK - 12th grade.

HOW WE FUND **100% FREE** PROGRAMS

Fragile Planet's **100% FREE** educational programs are of ZERO cost to your school. We fund our **FREE** programs by providing the students the opportunity to purchase memorabilia, merchandise, and pictures with our live animal ambassadors. Memorabilia and merchandise is pre-ordered a month in advance of your scheduled program and pictures are printed the day of the event! (Think scholastic book fair style)

Order forms are dispersed to students two-months in advance of the program and collected after two-weeks to be submitted to Fragile Planet for preparation. All orders are brought to the program with us for students to pick up.

Animal pictures are a 4"x6" photo with a jungle themed backdrop and are done the day of the event. Pictures will be taken and submitted to the school to send home to mom and dad!

Photos with the animals

Pictures with the animals require a signed and returned permission slip. The school is responsible to dispersing the permission slips and collecting them for the day of the presentation for all students in attendance. This ensures also that all students in the assembly are eligible to participate, hands-on, in our presentations.

PICTURES, MERCHANDISE, AND MEMORABILIA ARE 100% OPTIONAL

Fragile Planet will provide example permission slips for your students along with order forms for merchandise, memorabilia, and photos.
